7 Habits Highlight

Quote Of the Week

"The main thing is to keep the main thing the main thing."

-Stephen Covey

This week we are learning about W.I.G.s in our Focus time. W.I.G. stands for a Wildly Important Goal. We have W.I.G.s so we can grow during the year. We want Stokes School to go from a C to a B in pro-

iciency. Every student has a personal goal. The students help the school reach their overall mission. Stokes School vocabulary W.I.G. is from a 32.4% to 75% by June 2017. Our math W.I.G. is from 31.56% proficiency

in solving word problems to 75% by June 2017.

Leadership Roles

We have established leadership roles which students can apply to get it. Here is some of the leadership roles.

- Tour Guides are for when new people come to our school and they can get a full on tour with the tour guide it is also a good way to get to know are students and are school.
- Car Rider Assistants are for the students they will open and close the door for you and say have a nice day.

- They also help us get in line to go home.
- Announcers are the one who keep Stokes School informed and give us reminders of upcoming events.
 - Bus Assistants are the people who help the bus riders get off and check the people off so they don't get lost
 - Flag Crew are the people who put the flag up and then take it down, fold it ,and put it up
 - Peer Patrol watch the halls and help get students back on track

they also make sure everyone is ok.

- Student Light-house Team are the people who represent the students and their ideas and help them talk to the principal and help them convince her it is a good idea.
- Greeters are the people who will introduce themselves and then tell them what we are doing in the classroom.

Our Eagles are proud to accept new leadership roles!
